REFEREE'S CONFERENCE WELL SUPPORTED

The Annual Warwickshire Basketball Referee's Conference took place on Tuesday 14th September at Woodlands School

The new rules which come into force this season were well presented by Ian Pursglove and Ian Price and a general discussion took place regarding interpretations and general issues to try to ensure consistency among our band of whistlers.

There were debuts at the event for 'new to Warwickshire' referees Geoff Ryan Ralph Cordes and Gary Kearsley and all present agreed it had been a worthwhile event.

A resume of the new rules will shortly be available on the website.
